

**AFTER-SCHOOL CHESS ENRICHMENT PROGRAMME (Course for P1 and P2)
@ Nanyang Primary School - SEMESTER 1 2012**

Dear Parents & Guardians:

Nanyang Primary School has a proud and successful tradition in chess and is continuing to offer an optional after-school chess enrichment course to interested Nanyang pupils (Primary 1 and Primary 2 levels). A 10-session programme will be conducted by professional chess trainers from Intchess Asia Pte Ltd (ICA) who are accredited by FIDE (World Chess Federation). Some of the pupils who attended previous courses have gone on to develop into strong chess players and have won many prizes in chess.

Some of the benefits of Chess are as follows:

- Helps the child to be focused on what he does
- Fosters independent decisions making and character building
- Inculcates good time management and planning habits
- Improves the child's power of memory
- Enhances the child ability to think methodically, logically and creatively
